

IKG House Rules

We at IKG pride ourselves on the good atmosphere between students and staff. Hard work is mixed with fun and laughter on a daily basis. We want IKG to be a good working environment for all. In order to keep the IKG spirit, we expect students to follow our house rules, decided by students (Students council) and staff.

The school's motto is *Team, Responsibility, Trust* which includes respect for staff and students from both staff and students.

- **Be on time**
- **Bring essential material to class**
- **Do not disturb others**
